SHYLA & CAPRI

After hours practice

Shyla and Capri are experts in picking guitar strings – and heart strings. Every Hanke they meet with their band for practice they make it a point to stay late for an extra session. They adorn the drum set with their outerwear, and ease into each other's slender bodies; their warm tongues caressing nipples, lips and holes alike. Their moans reverberate in the bass drum.

THE MAN CAVE

MY BROTHER'S LESBIAN WIFE

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My brother Hank and his wife Tammi have been married for six years today. (Happy Anniversary, guys!) Together with Hank's best friend Colin his wife Adele, and Tammi's sister Alicia and her man Len all go out to the local bar to drink and dance the night away in celebration. This will be the first time Tammi's hit a bar in about eight years.

Tammi usually spends her days and nights carpooling to school and dance classes, all while Hank works full days at the office. In his time off he likes to drink beer, watch TV, and play golf. Still at 26 years old, Tammi has a figure that made most men stop and take a long hard look. She was not a 36-24-36, but close, and her hair and clothes were always just right.

When they get to Buddy's, a rockers dive bar, the bouncer lets the women in for free, and the men pay $5 each. Of course, Tammi had to pay for Hank. They make

their way to a table. The barmaid walks over and asks for their drink order. Hank reaches up and pats her ass thinking Tammi didn't see him, but not only did she see, but most of the bar saw it, too. She thinks 'what an asshole' but just smiles, says 'sorry' to the barmaid, and gets up to dance. The other two women follow her. On the floor a women about 30-ish asks if she could join them. The women all dance for about 20 minutes.

Later, the band takes a break. The women head back to the table. Hank is so drunk he can't even stand. Tammi shakes her head and goes to the rest room. Inside, some other women are talking and using the mirror. Tammi goes into a stall and pees. As she opens the door to leave, the 30-ish woman is there and gently pushes her back into the stall and against the wall.

Before Tammi can speak, the woman leans in and kisses her. Soft at first, then a little stronger and with more passion. Finally, she leans back and the woman says her name is Katie. "I think that you, my dear, are a vision of pure sex. Your body just yells 'come fuck me', and that's just what I intend to do.

Tammi is shocked, scared, and turned on all at the same time. She says 'thank you' but I'm married. My husband is out there, and I have never done anything even close to this. Katie calmly looks at her and says, "First of all, your man is obnoxious. Next, I'm married too, and you liked it so far. Believe me it will only get better honey."

Tammi looks at Katie for a second then says, "No, I can't do that, not even to that stupid old man of mine." Tammi leaves and asks the other guys to take them home.

For the next two weeks she can't seem to get that kiss off her mind, and thinks she sees Katie everywhere; the store, the dance school, the park, but on second look nothing there. One night as she is changing and touches her breast, she shivers and feels her pussy heating up. How could this be? She has never been with a woman. Never even thought about it.

After a while, she could no longer refuse her needs and lightly touches her tits and rubs her pussy till her world

She worked the cloth assiduously; determined, I knew, to reap the restorative benefits of what little ball sauce I had managed to contribute.

This routine had become a ritual...

is turned upside down from the mind bending orgasm she has. Then she wakes up that Saturday morning bright and happy with her life. Her day was great. That evening she is laying in her sweats in the front room watching TV and the doorbell rings. As she answers it, she almost faints. There on the doorstep was Katie in a very short dress with a top that reveals two perfect tits.

Tammi not knowing just what to do steps outside and closes the door. "What are you doing here? How did you find me? Why?"

Katie says, "Do you want me to go?"

"Yes, I mean 'no'. please stay." says Tammi.

"I'm here to take you out with me. I found you cause I followed you that night. And why? Well I still want you badly.' whispers Katie.

Tammi stutters, "But, but me? I mean I've never... You could have others." Tammi looks down, then raises her eyes, "Oh hell yes. I've been wanting this ever since that night. So yes, let's go."

Tammi and Katie go inside. Katie says 'Let's tell your hubby first.' So they go to the front room. Tammi tells him that Kat has come to take her out. Hank not wanting to offend this good looking woman says 'yea sure'.

Tammi asks Katie what to wear and Katie says 'let's see what you've got.' So they go into the bedroom. Katie shuts the door and grabs Tammi. "Do you remember what I told you?" Tammi nods her head. Katie says, "Tell me." Tammi says, "You said you wanted to fuck me."

"Yes, and are you ready to give yourself to me yet?" asks Katie. Tammi starts to nod. Again Katie says, "No, say it." "Yes I am. I'm ready to fuck you, Katie." Tammi says.

Katie goes to the closet and picks out a dress and says, "No panties, no bra, just a dress and heels. I'll go out there so hurry babe." Tammi opens the bedroom door and steps into the living room. She kisses Hank good-bye and tells him not to wait up.

When they get to the bar, Katie turns to Tammi, "Do we need to go inside, or can I just take you to my bed?" Tammi says, Let's go." Katie pulls into her driveway, opens the car door for Tammi, and leads her straight to the bed. They undress and kiss and rub each other for hours. Then Katie goes down on her, parting those pussy lips for a female's tongue for the first time. Tammi shakes, shivers, bucks, and moans through her first lesbian lashing, cumming harder, longer and more intensely than ever before.

Ask she recoups, Katie asks how big Hank is. Tammi says about six inches. Katie smiles saying, "I'll be right back," and goes into the next room to return wearing a strap-on nine inches long and three times Hank's girth.

Katie gently applies lube and very slowly enters Tammi, an inch at a time, letting her goddess adjust, then

Abe and I joined her in the bathroom as she dampened a washcloth and went through her scrubbing routine. This Hanke she had plenty of cum to work with. More than enough...

pushes in more till it's all in. Then she pulls slowly out and back in. Tammi's eyes roll and her pussy grips the dong tight. Katie increases the speed and the strokes become faster, harder and deeper. Tammi is getting the fucking of her life. She never thought it could ever be this good. She has climaxed more than she knew could be possible; and felt a love deeper than ever before. After what seemed a life time of mind bending fucking, it was three in the morning and Katie asks, "Should I take you home now?"

Tammi says, Maybe tomorrow. We'll see..."

Rocking the pussy

Izzy has been awfully naughty lately and Sensi is just the girl to straighten her out. Stripped of her black leathers and punky stripes, Izzy's bare body has Sensi drooling. Before she knows it she's out of her fishnets and moaning into the pillow as Izzy licks circles into her sensitive little love box. Shaking from the orgasms, she presses into Izzy hoping to treat her to the euphoria that she was in.

FOOT FREAK

Why a talented foot can be just as hot as any pussy

I've got to laugh at all the sex researchers with the alphabet soup of degrees after their names. You know the kind I mean: "Dr. Jonathan Smith, Ph.D., M.D., LLB., author of the famous study which shows that people fuck because it's fun."

These guys can tell you every obscure fact you never wanted to know about sex—how some tribe in the Amazon piss in each other's ears to get turned on or how a teaspoonful of cum contains X number of calories or protein, for all those cocksuckers who watch their weight. But when they're asked a simple question, the kind of stuff people really want to know, they just can't find the answer in their textbooks.

Take fetishes, for example. I happen to have a cock that stands up and salutes women's feet, especially when they're packed tight into pantyhose.

Whenever I see a book or article about sex, I automatically turn to the section on fetishes. But I'm always disappointed to find that I know a hell of a lot more about the subject than the person that wrote the book does.

For example, I can tell you that there are a large percentage of guys who share my hard-on for sexy feet. I know a lot of them myself. Shit, if they ever made foot fetishism illegal, most shoe salesmen would be in jail!

But when you try to look it up online, you'll find all those "experts" shrugging their shoulders, saying there's no way to tell whether there are a dozen fetishists in the world or a billon.

It's the same story if you want to find out what the hell causes a fetish in the first place. I mean, how come this passion for stockinged feet got stuck in my libido and not the next guy's?

Don't bother looking it up. One clown will give you some half assed crap about having the hots for your mother while another guy says it's because the foot is some kind of mystic symbol. But the real message they're giving you is that they can't figure it out.

I don't know how I acquired the fetish either, but I can tell you it started when I was young. Even as a kid my pint-sized penis would stiffen whenever my sitter arrived, wearing silky pantyhose. To keep me out of her hair while she was bullshitting with some stud on the phone, she'd tell me to "play shoe store," which meant dragging out some of my mom's high heels and trying them on her.

Maybe I didn't know exactly what an erection was for, but I sure as hell knew one thing—I really enjoyed the way my dick stood up every Hanke my sitter put her stockinged feet in my hands. Also when I discovered it was also a "kick" to smell her feet, when she wasn't looking. I guess I was on my way to becoming a full-grown fetishist.

As I got older I was always on the prowl for views of sexy feet. I would head to the newsstand and sneak looks at those porn magazines. And even then I found there were a lot of guys who shared my interest, guys who hung around shoe stores with their hands in their pockets like I did.

When I started dating, chicks who wore high heels and stockings won all the popularity prizes. Even guys who didn't have a thing for feet made unshoeing girls their first seduction move. Everybody agreed they got a hard-on sliding spike heels off and massaging the soles of slippery stockings than they did when untying a pair of sneakers and fondling sweat socks.

When I was about 16, one of the guys showed his father's porn film collection to us. Most of it was the usual shit—you know, semi-good-looking chicks getting humped by guys who needed shaves. Then he popped in a video that didn't get a high

rating from most of the guys. But it gave me the kind of zipper-busting hard-on I've never forgotten.

It was a foot-fetish flick called Sole Kisses, the first thing like it I'd ever seen—and it really changed my life.

Sole Kisses was one of those new porn jobs that tried to make sex films look "artsy." Despite the fade-outs and double-exposures it was just another fuck flick, but one with a big difference: every scene depicted a different variety of foot sex, not just models pointing their toes at the camera like they do in magazines, but chicks using their feet as erotic tools, like suckable tits or spankable asses.

In one shot a pair of gorgeous foxes are shoving the tips of each other's stockings into their pussies like dildos and masturbating to orgasm. In another scene a chick trying on new stockings finds them so exciting she goes into a heavy make-out with one of her own feet, cradling it in her arm, kissing and sucking it, tickling the bottom with her tongue until she comes.

My cock was dancing in my fist. This was the kind of stuff I'd always fantasized about but never expected to see. The movie showed another pair dressed In super-gloss pantyhose and going through a wildcat wrestling match. The loser was forced to suck the other one's toes. I finally had to let my cream flow over a scene of two fantastic beauties squeezing a guy's cock between their stockinged feet like a frank in a bun until he shot a fountain of cum over their legs.

I left my friend's basement in a dream world, my shorts soaked and my mind filled with hot plans. Seeing the movie had raised my "foot consciousness" from regarding sexy feet as an inspiration for masturbation, to realizing feet are more than just a visual turn-on.

Later my first target tor some real footwork was a girl I'll call Diana, a hot blonde who got her kicks flashing thigh-high stockings at the leg men. But while they drooled over her straining garters, I had a boner straining at my belt buckle whenever she'd slide her shoes off in class and sit there making shiny fists with the toes of her stockings.

There was no chance of getting a real date with Diana, as long as she was pinned to the fullback on the football team. But when the Hanke came to choose new lab partners, I made sure we got paired up. We were alone in the lab one afternoon, analyzing some chemical compound, when I turned to her and said, "You know, baby, I'd rather be smelling your feet."

She laughed, then realized I wasn't kidding.

"I mean it. You've got the sexiest pair I've ever seen," I told her.

Stepping out of one shoe, Diana stared curiously over her shoulder at the glistening sole of her flesh colored stocking. "Do you think so?" she asked, sexily wiggling her toes. "Would you really like to smell them?"

I knelt down behind her and took the warm, silky foot in my hand. It was a beauty—small and wide, with a bold pointed toe and round heel.

"How does it smell?" she kept asking, as I pressed my nose into the skintight stocking. "Baby, it's fantastic!" I told her, inhaling an erotic aroma of perfume, leather, nylon and Diana. I started to slide my lips over its slippery curves, then my tongue.

Dropping her other shoe, Diana climbed onto the lab table and crouched down, with both feet jutting out from under her ass. "More," she whispered, and she curled her toes into shiny balls of nylon.

I really worked those feet, kissing and licking their smooth bottoms, sucking on the toes and heels. They smelled, felt and tasted even better than I'd fantasized.

"Let's fuck!" Diana cried suddenly. After lifting her off the table, I carried her to the storage room and locked the door. Her stiffened toes were kicking all the way. I've never known a girl as hot as she was that day.

What a fuck! She was all over me, clawing and biting while I rode her across the floor like she was a bucking horse. Her gorgeous feet were clenched into silk battering rams, punching the air and pushing against my shoulders as I drove my hungry cock into her clenching pussy.

I could sense a big orgasm coming on when she began to yank violently at the tops of her stockings. Grabbing one beautiful foot, I shoved it into my mouth just as I let the cock-dam burst inside her.

On the first pump Diana exploded into a shrieking climax, tear-

ing huge runs in her stockings as I gently bit down on her kicking foot. Meanwhile, every drop of liquid in my cock was squirting up her cunt. Memories of all the fucks I'd had before faded away to nothing.

During college I fulfilled one of the ambitions of every foot freak by taking a part-Hanke job at a women's shoe boutique, and since graduating I've continued to work there a few nights a week.

There's no way I could ever hack working there full Hanke; I can't understand how some of the other guys do it. Too much of a good thing, if you know what l mean.

Like if you happen to be a tit man, imagine a parade of sexy ladies coming in to try on bras. Your job: measure each boob and fit cups to it. Think you could handle 40 hours a week of that kind of hard-on? Your dick would be ready to fall off.

There's a very erotic scene going down in a women's shoe store. Besides doctors, husbands and lovers, you're the only man many of these chicks allow to touch their bodies, and that gets their juices flowing.

The game is kind of a self-test. Before any chick goes shoe-shopping she'll shave her legs and put on a new pair of stockings. All those old ads about gentlemen preferring them and grocery clerks ogling them convince a woman that nylons should make her sexually attractive. Now she's going to be checked out by an "expert," a guy who sees nothing but legs all day, and she doesn't want to flunk the exam. To make sure she sees the bulge she wants to see in a salesman's pants, she'll flash plenty of crotch and point her stockinged feet out to him like they're lollipops waiting to be licked.

Ask any salesman and he'll tell you that the horniest customers of all are housewives whose husband's haven't been noticing them lately. They're liable to show up in outrageous stockings that belong in a chorus line. Or they'll try on 20 pairs of shoes, just to feel a guy's hands on their legs. I've seen a few of them come during a fitting, and many have asked me straight-out to meet them after work (an invitation I seldom refuse).

One day at the shoe store I ran into a chick with the hottest foot fetish I ever encountered. Barb was a real nymph who was destined to guide me into ttherld of foot sex.

When Barb strolled in, I had no doubt about what she was looking for. Carrying a faux fur coat carelessly over her arm, she slinked an incredible set of tight-skirted buttocks around the store while admiring the displays. Her walk was like an obscene gesture. The other guys scrambled to get to her, but I was closer so I "snatched" the prize. "Can I help you, ma'am?" I asked.

"Yes," she breathed, staring straight at the mound in my pants. "I'd like to try on some high-heeled slippers, a nice nude style." She laid it heavy on the word "nude."

"Do you know your size?" I choked, already in a sweat over servicing this piece of hot pussy pie.

"Oh, I'd rather have you measure my feet," she cooed in a voice that sounded to me more like it was saying "I'd like to feel your dick between my legs."

Beads of sweat formed on my forehead as Barb sat down and I started removing her five-inch stilettos. Her skirt had ridden up almost to her crotch, and she showed no signs of pulling it down. Her gorgeous legs—I almost came when I saw them—were stuffed into authentic silk stockings with seams up the back and huge reinforcements on the tops and feet. Her stockings were glistening and filled with her milk-white legs and hung from the garters of a transparent pink panty girdle. Through the thin elastic I could see the outline of the moist lips of her vulva.

When she thrust her foot out for the measurement, the toe was pointed so hard I thought the tip of her stocking would burst. I'd never handled real silk stockings before. It was unbelievably smooth and sheer, as slippery as glass, and a cock-stiffening experience.

My fingers trembled while adjusting the measuring scale to her delicious sausage of a foot. Barb leaned over and whispered to me, "You have a foot fetish, don't you?" I just looked at her, but I knew she could read the answer in my face and crotch. "When you finish work, come to this address and I'll show you the wildest Hanke of your life!" she said, handing me her card.

Putting her heels back on, Barb left the store without buying anything. She gave me an inviting smile as she left. I looked at her card and discovered she lived in one of the poshest suburbs of the city. I couldn't figure out what the hell

BLAIR-NTS-12

was going on.

That evening I parked in the driveway of a ritzy split-level mansion that must have cost a fortune. "My husband's at a convention this week," said Barb, as she let me in. "I'll give it to you straight. My kind of freaky sexual tastes don't appeal to him, so we have an agreement. As long as I stay out of messy love affairs that could ruin his reputation, I can do whatever I want with other guys. That's why I go out and find guys like you—strangers to be my playmates. No romance, but if you like me and do a good job, we can have a lot of fun together."

"What'd you have in mind?" I asked.

"Foot sex," she replied: "That's why I go hunting in shoe stores. Most salesmen have a thing for feet. But what I want is special, very special. What turns me on most is foot licking. I don't mean silly footsie-type of fooling around. I'm talking about serious adult foot play by a guy who knows how to handle a pair of feet. Are you interested?"

Who could have turned that down? I was so fucking hot in the store that I'd spent the afternoon fantasizing about what I'd be getting that night. So far, I sure as hell wasn't disappointed.

Barb led me into a room with a table in the center. On a bench beside it was a wide selection of vibrators. "I'll lie bottoms up on the table," she said, "and I want you to hold me down while you fondle and tickle my feet. Use a vibrator, feather, your tongue—whatever does the job. Eat them up, suck them, rub your cock on them, but don't stop, no matter how much I scream and beg you to. "Ten minutes is about all I can stand; then you can climb on top and shove your dick up my ass or pussy. l like it both ways. Sound like fun?"

The question wasn't necessary since my pants were pitching a tent at that point. I had to unzip just to keep my cock from going off while I watched Barb strip down to her silk hose and secure them with rubber ring garters. Her breathing kept getting harder—and so did I.

As soon as I touched the tips of two whirring vibrators to the bottoms of her stockinged feet, Barb began to writhe and moan. "I love it" she cried, grinding her pussy into the table. I tickled them harder.

Suddenly her body went rigid in the first of six climaxes she'd have before we were finished. Besides enjoying the thrill of kissing and sucking, fingering and smelling those candy-like feet, I wanted to see if I could give Barb an orgasm so hard she'd never come down.

I tickled her ass and across her back, but when I did that too long she started crying, "Tickle my feet!"

I finally picked up what was obviously her ulHanAdele instrument of torture/pleasure: a feathered dildo with rubber nipples on the tip. When I turned the handle, it started vibrating at an incredible speed. "Oh, you foot-fucker!" screamed Barb when she saw me holding it. "Not that! I can't take that!"

I started sliding it up and down the seams of her stockings, from heel to toe and back. Barb's cries turned to begging shrieks. "No, please! No more!"

I ignored her and soon she came in one big ecstatic scream. Then she came again, with another loud shriek. When the tickling dildo had brought on her fourth orgasm and she was reduced to pleading sobs, I decided it was Hanke for the big ride.

Climbing onto the table, I straddled her like a jockey and started to jam my cock up her ass. Barb's hole was tight and puckered, but she'd greased it up enough for me to force my rod inside her.

Her feet were pounding and stroking my back as I drove my cock all the way up her ass. Hoarsely calling "You foot-fucker!" she came one more glorious Hanke, the hardest of all, as I pumped a gigantic load into her butthole.

Apparently I did a satisfactory job because I'm now one of Barb's "regulars." I visit her once or twice a month for the kind of foot sex most fetishists only dream about. Of course I'm still getting plenty of hot footsie the rest of the Hanke too while selling shoes, but no one can compare with Barb.

If there are any sex experts out there who'd like to know the real story of what it's like to have a fun-filled fetish, I'd suggest they get some on-the-job training in a shoe store. I'll be glad to give you pointers.

Of course, you might have trouble understanding what I have to say. Chances are I'll have a beautiful stockinged foot in my mouth whenever you try to ask a question!

Making it look good

There's few things sexier than two silky smooth babes wrapped up in each other's gorgeousness. If you were to watch two lovely creatures entangled in one another, there are none better than Skin Diamond and Ana Foxxx. The way their bodies move as licking skin or fingering holes is absolutely artful. Watch as each curve gives way to more and more beautiful flesh.
